

FOOD SOURING IN STOMACH CAUSES INDIGESTION GAS

Wonder what upset your stomach— which portion of the food did the damage—no you? Well, don't bother. If your stomach is in a revolt, it sours, gasses and upsets, and what you just ate—has fermented into stubborn lumps; head dizziness and aches; belching and acids and eructate undigested food; breath foul, tongue coated—just take a little Peppermint and it will cure you. You wonder what because of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Peppermint occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

Sore Throat or Mouth

When the mouth or throat is irritated or diseased you have the common ailment of Sore Mouth or Sore Throat. If not quickly cured, you are in danger of contracting more serious or even fatal diseases such as Croup, Quinzy, Tonsillitis or Diphtheria. Nothing in the world will cure Sore Throat or Sore Mouth so quickly as surely as TONSILINE because TONSILINE is the only remedy especially made for this purpose. It has been failed. You'll need it some night when the drug store is closed—better have a bottle ready at home when you need it most. 25 and 50 cents.

Theatres

Auditorium Theatre Tonight.

A splendid program of high class motion pictures at the Auditorium Theatre tonight.

"A Mother of Men" feature photo play produced by Sid Olcott and his famous company of movie stars. Their picture is without a doubt one of the best photo dramas ever produced.

To complete this program a reel of comedy will be given.

These films make a splendid show and one that is well worth seeing.

"September Morn" at the Auditorium Saturday Matinee and Night.

The new musical play with the airy, topical title "September Morn" a late, little dialogue and laughable situation is presented and one finds his or herself humming or whistling the jingly tunes after the catchy music is recited off by the harmonious voices of the augmented chorus and feature songs of the principals.

The story goes with a principal as Rudolph Plastric, a would-be artist, who claims to have painted the celebrated Caba's picture called "September Morn" (but in reality cannot paint the side of a barn and do it well) continues to get himself in tight places. Leo Greenwood, the comedian of real, entertaining methods, has the role of Rudolph, and his antics go with a scream. An actress claims to be the original model of the popular picture and she instructs her publicity promoter to boost her as the real "September Morn" who was not afraid to bathe in the open or the lake or whatever it was. The dodging of Rudolph and the actress, both knowing they are impostors, creates no end of jovial line and situation.

Leo Greenwood, dainty Ollie Crew and Chas. S. Morgan are with the company which comes from the La Salle Opera House, Chicago, after a fine run.

"Cabiria" D'Annunzio's Film Masterpiece in Natural Colors at the Auditorium Monday Tuesday and Wednesday.

Nov. 2, 3, and 4.

"Cabiria," the great motion picture film which is to be offered at the Auditorium Theatre on Nov. 2, 3 and 4, is one of the most beautiful specimens of motion picture photography ever produced. Regarded merely as a work of art it is alone worthy of inspection irrespective of its dramatic and spectacular properties. Parts of the film are made stereoscopic, that is to say they have all the appearance and solidity and relief of the original subject. They look real, so real that they have depth and solidity to a degree heretofore not shown in a motion picture.

"Cabiria" in fact may be regarded as a natural color stereoscopic work of art, which all students of the motion picture should make a point of seeing.

This photo production will be the attraction at the Hartman Theater Columbus, all next week.

New Movie Service at Orpheum Theatre

Manager Siebanoller of the Orpheum theatre announces to the amusement loving public of Newark that beginning Monday he has contracted for the Paramount service, better known as the Famous Players, and that it will be shown at his theatre four days per week, Monday, Tuesdays, Thursdays, and Fridays.

On Wednesdays will be shown the great Alce service, but this will not start until the 28th inst. On Saturdays and Sundays five reels will be shown including the Pathé Weekly.

The price of admission will be 5 cents to all children and 10 cents to adults. A three-piece orchestra will furnish the music, directed by Will Reynolds. Mr. Frank Reynolds will also play.

Thursday the big six reel special, "Home Sweet Home" will be shown. Included in the cast are 25 well known movie stars, twelve males and 12 females. The production typifies the life, work and death of John Howard Payne, author of the song that reaches every human heart. This extraordinary photodrama will run continuously after-noon and evening and no doubt will be witnessed by hundreds of Newarkites.

BRIEF RUSSIAN REPORT RECEIVED

(Associated Press Telegrams)

Washington, Oct. 14.—Col. Golejewski, military attaché of the Russian embassy received today the official despatch from Petrograd:

"A battle was begun on a line extending from the country around Warsaw along the rivers Vistula and San to Przemyśl and further to the south to the river Dnieper."

"In East Prussia the situation remains unchanged."

LOOK AT CHILD'S TONGUE IF SICK CROSS FEVERISH

Look at the tongue, mother! It coated, it is a sure sign that your little one's stomach liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, restless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-aches, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated, waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax children to take this harmless "fruit laxative," they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

NEWARK SATISFIED

In an interview with the Newark Daily Advocate, A. R. Mitchell, who was very well satisfied with the Newark Knights' parade, said that while it was a good crowd present, considering the inclement weather, and the fact that the night in the open air, Mr. Mitchell talked along the line of the importance of electing officers and members of the legislature in particular, of the Progressive party, to properly enact laws and to enforce the prohibition amendment, which he promised would carry by an overwhelming vote over the state.

Mr. Garford spoke of the importance of all kinds of temperance going to the polls and casting a Progressive vote, he then launched into a discussion of Women's suffrage, stating that the Progressives favored equal suffrage and were working to the end.

Mr. Garford and Mr. Wood remained in the city Tuesday night and left Wednesday morning for Martinsburg to be in the day's auto tour.

TEMPERANCE IS MAIN ISSUE, IN GARFORD'S MIND

Progressive Candidate Wound Up Tour of Licking County With Speech in Newark.

Hon. Arthur L. Garford, candidate for United States Senator from Ohio on the Progressive ticket, spoke to a fair sized crowd, including a sprinkling of women at 7:45 p. m. in this city Tuesday evening. His speech was unpretentious but most interesting, and that fact many of the women who were present, from the fact that they had heard him in the past, gave him a warm welcome.

Mr. Garford was introduced by Attorney A. S. Mitchell of this city. Progressive candidate for member of the Ohio legislature and one of the leaders of the party in Licking county. Mr. Mitchell prefaced his introductory remarks with the statement that they had had a hard day's trip through the western part of the county, that he had spoken at a number of places throughout the day and that as his audience were all aware of his candidacies for the legislature and knew his position on the question at issue, he would without any further remarks introduce the speaker of the evening, Mr. Garford.

Mr. Garford is a gentleman of pleasing personality and a sincere speaker and at times becomes very eloquent. He has been engaged in the manufacturing business for a number of years. As a newspaper proprietor and president of the Ellyria Y. M. C. A. He said in part:

"An my me I have been engaged in the manufacture of products from material but in late years I have engaged in the manufacture of human products and I tell you my friends it is well worth while."

The speaker next told of the campaign which had been waged by James R. Garfield, candidate for governor and himself. He said they had traveled over 4,000 miles by auto since September 15, had spoken in 48 counties, addressing over 200,000 people and had forty more counties to cover yet until November 3.

He said the Progressive party stood for the betterment of all economical, social and industrial conditions and declared unequivocally for state-wide and national prohibition.

He next spoke of the newspapers misrepresenting the Progressive party, referring to a local paper in particular, but stated in spite of that act the Progressive ticket would be second at least in the approaching election, and predicted an overwhelming vote for the party in November.

Mr. Garford said that the temperance question was the main issue of the campaign, and that all others were subordinate. The one great, burning issue in the hearts and minds of the people is prohibition. He stated that Governor Cox had come out fairly for license, but that Frank Willis, Republican candidate for governor, had only declared for prohibition personally, and that as a candidate he was neutral, which meant that he was straddling the question for his party. He declared that Willis is playing for the support of the liquor and brewing interests, and that a "wet" committee drafted its platform at the last convention of the party. There is but one way to put the saloon and the brewery power of the state down and out for good, and that is to elect the Progressive candidates, every one of whom is pledged to a dry program from start to finish.

"We are serving the Progressive party under the new political philosophy, service without reward."

SPEAKERS ADDRESS UTICA MEETING IN VILLAGE HALL

Utica, O., Oct. 14.—Hon. Arthur L. Garford, Frank W. Wood and Attorney A. S. Mitchell of Newark, O., were the speakers at a Progressive meeting held in this place at the town hall Tuesday evening. There was a good crowd present, considering the inclement weather, and the fact that the night in the open air.

PROVISIONS FOR THE ARMY IN THE FIELD.

Importance of keeping body well nourished.

In time of war, the greatest effort is always made toward cutting off the enemy's base of supplies. It is the well-nourished people who fight the strongest and live the longest, and contribute most to human progress. Is your stomach doing its duty—does it convert food into good blood and tissue?

Dr. Pierce's Golden Medical Discovery has been so successful in the treatment of indigestion, that thousands of former sufferers owe their good health of today to its wonderful power, and testimonials prove it.

It arouses the little muscular fibres into activity and causes the gastric juices to thoroughly mix with the food you eat, simply because it supplies the stomach with pure, rich blood. It's weak, impure blood that causes stomach weakness. Get good blood through the use of Dr. Pierce's Golden Medical Discovery, and you will have no more indigestion.

It is the world's proved blood purifier. It's not a secret remedy for its ingredients are printed on the wrapper. Start to take it today before another day has passed, the impurities of the blood will begin to leave your body through the liver, kidneys, bowels and skin, and in a few days you will know by your steady nerves, firmer step, keener mind, brighter eyes and clearer skin that the blood is passing out, and new, rich, pure blood is filling your veins and arteries.

The same good blood will cause pimples, acne, eczema and all skin eruptions to dry up and disappear. Dr. Pierce's Golden Medical Discovery is the helpful remedy that nearly everyone needs. It contains no alcohol or narcotics of any kind. It cleanses the blood, and every organ through which the blood flows is benefited. Get it today in liquid or tablet form.

J. C. Swartz for Surveyor

J. C. Swartz, Democratic candidate for county surveyor was born in 1885 and after attending Newark public schools entered Doane Academy at Granville from which school he graduated in 1902 and next entered Denison University, graduating

Gas & Electric Co. engineering corp. in Kentucky and West Virginia, leaving there in 1912 to become engineer for the contractor erecting the post office at Detroit. After finishing that work he became the superintendent of construction for the National Co. of South Bend Ind., of street and sewer construction.

It was while employed at Huntington, W. Va., by an engineering firm in the spring of 1913 that he was appointed county surveyor of Licking county for a term of six months and in August 1913 he was appointed county surveyor to fill the unexpired term of the late Fred Cully.

Mr. Swartz has proved by his work that the right man was selected for the arduous duties of the office of county surveyor, especially at the present time when the county is engaged in the construction of many miles of pike roads and the reconstruction and erection of over six bridges washed away by the floods. He has shown his worth and efficiency and has made a record in office of which any young man might be proud. He is an untiring student and no engineering problem is too hard for him to solve.

No mistake will be made by voters of Licking county in electing Mr. Swartz to the position which he seeks. He will fill it with honor and credit not only to himself but to the entire county as well.

J. C. SWARTZ.

from that seat of learning in 1908. During the years 1908 and 1909 he was employed in engineering offices and in 1910 was with the Columbus

Capable Clerk.

The lawyers of Newark will tell you that Bert O. Horton has proved himself to be a most capable and obliging clerk of the court. The lawyers are in position to judge the qualifications of a clerk of court. Mr. Horton is a candidate for his second term and he deserves re-election.

The Republican organization has too many press agents. They sent out three stories in one day about a job put up on Willis to heckler him on the Republican straddle plank. Each story contradicted the other, and then all three were shown up, when they went after the same questioner to appear before Willis at Sebring. Wonder if the truth is out at last.

Oct. 14 in American History.
1644—William Penn, founder of Pennsylvania, born; died 1718.
1734—Francis Lightfoot Lee, "signer," born; died 1797.
1905—The "Portsmouth treaty" negotiated at Portsmouth, N. H., signed by Russia and Japan.
1911—Associate Justice John M. Harlan of the United States supreme court, died; born 1833.

ASTRONOMICAL EVENTS.
Evening stars: Mercury, Jupiter, Mars, Venus. Morning star: Saturn. Two stars on the southwest horizon about 8:15 p. m. belong to the southern constellation Sagittarius.

Double Taxation.

When Governor Cox made his campaign tour through Licking county a few weeks ago, he made himself clear at several points by saying that he is opposed to double taxation.

He explained by saying when a farmer buys a farm for, say \$3,000, pays one-half down and gives note, and a mortgage for the other half the taxes on the unpaid half are paid by the owner of the land and also by the person owning the mortgage as money. In other words, the mortgagee and mortgagor both pay taxes on the same \$1,500, which is unfair and unjust. The governor pledges himself to use all his influence to correct this abuse.

Willis' Arithmetic.

Candidate Willis and chairman Jones have both declared that over head charges in the state highway department during 1913 were 20 per cent.

But the Auditor of state has carefully examined the records and finds the percentage is less than 8.

This is in harmony with many other reckless and extravagant statements made by Willis on the stump, and by Jones through his press bureau.

Hon. Lewis B. Houck for Judge

The candidacy of Lewis B. Houck of Mount Vernon, Ohio, for Judge of the Court of Appeals, in this district is meeting with hearty approval and the support of the voters of all parties. He was nominated in the Democratic primary in August, but his name now appears on the judicial ticket, which is separate from the regular ballot and is non-partisan having no party designation. He is one of the leading lawyers in the state, and his eminent qualification for the bench are conceded by all.

Mr. Houck is one of the best and most favorably known men and lawyers in Ohio, and his public life and record are such as to commend his candidacy for Judge of the Court of Appeals, to all voters irrespective of party affiliation.

LEWIS B. HOUCK.

Spirit of the Press

Japan's Service.
On the surface of events it has seemed that the tender of Japan's help to Great Britain in the present war was gratuitous, if not supererogable. There was, apparently, no vital need of Japanese co-operation with the English, at least at the start, since, if the Germans could be defeated on land and in the North Sea, it would be a comparatively easy thing for Great Britain to take her time about picking such of her bones as can be found in Northeastern Asia.—St. Louis Globe Democrat.

Home Run Gowdy.
A man can never do very far wrong if he but follows in his humble way the example of the truly good and great, and what we want to know, before making up our mind definitely, is how Hank Gowdy is going to vote this fall.—Ohio State Journal.

Can't Starve Germany.
Is Germany in danger of starvation as a result of the European war? This has been a favorite theory of certain economists on both sides of the Atlantic. The question is answered decidedly in the negative by one of the highest authorities in the German empire. Professor H. Dade, general secretary of the German Agricultural association, whose deliveries on the subject are largely supported by an eminent writer for World's Work in his essay, "Europe's Food Supply in War Times." It is pointed out that while England is entirely depending on supplies from outside sources, Germany can safely face a prolonged period of complete national isolation without danger of starvation.—The Fatherland (New York.)

A Little Fun

Can't Be Done.
"I suppose you will make good my unsatisfactory merchandise?"
"Everything but eggs mums," said he dealer. "Nothing can make a bad egg good."—Seattle Post Intelligencer.

Painful Publicity.
"The streets of New York are a blaze of glory—a veritable riot," explained the American. "Why, there's one electric sign with 100,000 lights in it."
"Doesn't that make it rather conspicuous, old top?" asked his British friend.—Harper's Weekly.

Covering the Case.
Judge Gunday of Atchison tells this lawyer story: An Irish lawyer was attorney for a man charged with murder. Addressing the judge the attorney said:
"Your honor, I shall first absolutely prove to the jury that the prisoner could not have committed the crime with which he is charged. If that does not convince the jury, I shall show that he was insane when he committed it. If that fails I shall prove an alibi."—Kansas City Journal.

THE PILGRIMAGE.
Life is a weary road to travel, and hard upon the feet, if we are bound to snarl and cavil at every one we meet. We ought to how to strangers passing, and not knock off their titles, for they will answer sass with sass, or give us smiles for smiles. If you are quarrelsome and scrappy, nor prone to gain a friend, you'll find the pilgrimage unhappy and dismal to the end. But if you wear a smile that's winning, a smile eight inches deep, some other chaps who see you grinning, will straightway cease to weep. A smile like yours, or mine's contagious; folks seeing it will say, "This life can't be so blamed outrageous, if pilgrims smile that way!" A scowl, alas, is just as catching; after its influence goes, folks seeing it will soon be hatching another brood of woes. This life's a tune that's full of jangles, a discord, lame and halt, if we go seeking rows and wrangles, and keep on finding fault. But it's an anthem, grand, inspiring, sweet as the angels' song, if we go down the road, inquiring who we can help along.

EXPERIENCES OF NOBLE WOMEN IN EUROPE

The horrible experiences that many noble women in Europe have endured during past few months can never be all told. Here in America many women, both young and old, have experienced much misery and suffering.

GRANVILLE

WOMEN'S CLUBS ANNOUNCE THAT IT IS NOT FAVORING SUFFRAGE IN CAMPAIGN

But All Energies are to be Devoted to Dry Amendment—Other Village News.

(Special to The Advocate)
Granville, Oct. 14.—The meeting of the Granville Woman's club, held Tuesday afternoon in the Baptist church, was a distinct success. That the women of the village are in earnest in this new enterprise was proved by the large attendance, despite the heavy rain, and by the interest manifested in all the proceedings. Mrs. Helen Hunt led the devotional exercises. Mrs. M. E. Stickney as chairman, is showing great executive ability, and the chairman of the various committees are doing their work in a thorough manner. Mrs. Russler, as head of the finance committee, is directing the house-to-house canvass, and receiving personal contributions from those who do not care to wait for the solicitors. Financial aid has been given or pledged by every woman's organization in town, but the club is looking for its chief support to its individual membership, which includes every woman who cares to join in this work. The program committee will need funds, as well as the literature committee, and there is no time to lose. That the aim and purpose of the club may be understood, and that none may labor under the misapprehension that it is favoring woman suffrage, or dabbling in politics, a resolution was read and unanimously adopted as follows:

"Resolved by the Granville Woman's club: that we declare in favor of the proposed constitutional amendment for state wide prohibition; that we declare our opposition to the proposed constitutional amendment providing for 'home rule' on the liquor question; that we further declare our intention to use every effort in our power to secure a unanimous dry vote in Granville, thereby maintaining the standards of high thinking and right living which have placed this town in the front rank of the state."

The presence of three of the delegates to the State W. C. T. U. convention now being held in Newark was a source of encouragement and inspiration.

Mrs. Berthold, state chorister of the W. C. T. U., sang twice to Mrs. Darrow's accompaniment. Mrs. Meredith, recording secretary and organist of the State W. C. T. U., gave an impressive talk on the proposed constitutional amendments, showing a thorough understanding of the topic, and suggesting that every woman present should feel the necessity of informing herself.

Mrs. Townsend, evangelist and organizer of the State W. C. T. U., in a

What address advised over heart with a new resolve to work in every way open to a woman, that the great evil of the "Home Rule amendment" may not disgrace our fair state.

The next meeting will be held in the Baptist church next Tuesday afternoon at 2:30. The devotional exercises will be led by Mrs. L. W. Perry. Every woman in Granville is invited to be present, whether a member of an organization or not.

It was unfortunate that the hour for the Garford speech in Granville should have been set for 12:30, the luncheon hour for everybody in this school town. Despite this fact, however, a large and enthusiastic crowd greeted the Progressive candidate for the United States senate and listened with absorbed interest to his convincing arguments.

The dinner given by Paul and Mrs. W. H. Johnson, Monday evening at the Buxton House, honoring the Denisonian staff, was one of the delightful social events of the season. Covers were laid for twenty-five guests.

The funeral services of Mrs. Henry H. Eschman, who died suddenly Sunday night at her home in Dresden, O., were held Wednesday afternoon at the family residence. Mrs. Eschman was in Granville only last week to attend the piano-forte recital of her son, Mr. Karl Eschman, director of Denison Conservatory, apparently in her usual health. The news of her condition reached Prof. Eschman Sunday. He secured an automobile and hastened to her bedside, but she lived only an hour afterward. Prof. Eschman has always been a devoted son, and he has the sympathy of the community in his irreparable loss.

Miss Faye Marlow and her two house guests, Misses Smith and Hermonson of Chicago, are spending a few days with Zanesville friends.

Social affairs in Granville have given way to the Evangelical meetings now being held in the Presbyterian church by Mr. Chester Birch. These meetings are increasingly interesting, as Mr. Birch is a forceful, convincing and even dramatic speaker, compelling attention by the moderation and reasonableness of his views.

John Hislop, '06, of Columbus motored to Granville Sunday and dined at the Buxton House with a pleasant party of friends composed of: Misses Mary R. Hughes, Marion B. Brooks, Helen Miller, Edna C. Campbell, Sarah D. Huggins, Messrs. R. F. Duncan and Ed. W. Pennington.

The meeting of the Travelers' club, Monday afternoon, afforded another enjoyable afternoon to those interested in the wonderful work at Panama. The president, Mrs. W. E. Clemons, presided with her accustomed grace and charm; Miss Roe occupied Mrs. Field's position at the treasurer's table. Mrs. Stickney read the report of the previous meeting and Miss Ellen Davies presented an interesting list of current events, which invited free discussion. Miss Anna Reed dealt with a broad topic in a thoroughly satisfactory manner in her paper entitled, "Panama Canal Traffic," and brought many interesting facts to the attention of her hearers. "The Question of Tolls" was presented by Mrs. Robert Biggs in an admirably prepared paper, which held the interest of the audience to the last word. A delightful feature of the session was a vocal solo by Mrs. Ogilvie, exquisitely rendered, with a light, dainty touch which captivated her audience. The accompaniment by Mrs. Darrow was a perfect setting for the musical gem. The critic's report by Mrs. I. S. Kull closed the program. Next week the club will stop at Porto Rico.

Mr. W. P. Ullman directed the Eng-werson Choral Monday night in the absence of Mr. Karl Eschman, and wielded the directors' baton with ease and efficiency.

Miss Laura Marlow, matron of the Boys' Industrial Home in Toledo, who has spent the past week at her mother's home in Broadway, returned this morning to Toledo.

COMMISSION ASKED TO ALLOW HOCKING VALLEY TO ISSUE FOUR MILLION

Dollars Six Per Cent. Gold Notes—Sale of Franchise Authorized—Game Warden's Office.

(Associated Press Telegram)
Columbus, Oct. 14.—The Hocking Valley Railway company today asked the state public utilities commission for authority to issue \$4,000,000 one year six per cent. gold notes, the proceeds to be used in refunding a similar quantity of notes due Nov. 1. The railway was unable to tell the commission what price it could get for the notes. Officials said this is the first case large corporations being unable to determine the selling price of such securities in advance, for more than a year. Financial depressions due to the European war were said to be the reason.

FRANCHISES SOLD.

(Associated Press Telegram)
Columbus, Oct. 14.—The state public utilities commission today authorized the sale of property and franchises of the Barnesville Gas & Electric company to the Sunnyside Electric company of Wheeling, for \$70,000, and of property of the Belmont County Electric company, which supplies outlying villages in that county, to the same company for \$5,000.

STATE FISH HATCHERY.

(Associated Press Telegram)
Columbus, Oct. 14.—State Fish and Game Warden John C. Speaks prepared today to ask bids immediately for the construction of the state fish hatchery at Portage Lake, near Akron, \$5,000 for which was appropriated by the agricultural commission yesterday. Officials said the hatchery probably would be built and in operation within three months.

GERMANS

(Continued from Page 1.)
Flanders and Hainaut from the French department of the Nord.

Beyond an unconfirmed report of fighting in the direction of Zeebrugge, a coast town 15 miles northeast of Ostend, there is no further news of the German advance in this vicinity.

Further south there is reason to believe that the left wing of the allies has been strongly reinforced and confirmation of this is found in the statement in the latest report from General Joffre, the French commander-in-chief, that the offensive against the Germans has been resumed in that part of the line of battle.

In order to strengthen his forces in this vicinity General von Kluck has thrown an entire army corps into Lille. This manufacturing city has once before been in German hands, and it has been within the German lines since an early stage of the hostilities. Its occupation today does not seem to have been seriously opposed, in fact it is explained here that it could not have been without disarranging the allies line.

According to observers in London the Germans have been particularly anxious to reach Antwerp and thus secure control of the railroads to the north and to the south. But, according to a French official announcement the allies have checked their movement in this direction and have made a marked advance between Arras and Albert where the principal German effort centered.

The intermingling of the armies along a front of hundreds of miles appears today to be as chaotic as is the news concerning the operations furnished by the intelligence departments of the different heads.

The French armies are declared to be gaining ground at Berry au Bac, northwest of Reims, and at Soumainville, on the east side of the Cathedral City, while at least one portion of the German army under the Duke of Wuertemberg is still stoutly holding its position between them on the plains of the Marne.

Again further to the east, the French occupy Apremont in the Forest of the Argonne, well to the northwest of Verdun, and Verdun is the position which the army under the German crown prince has for so long been trying to reduce.

To the east of the position of the crown prince the French are said to be pushing toward Metz. It is reported that in order to improve the crown prince's chances of reducing Verdun, some of the siege guns released from Antwerp are not on the way to join them.

SURE WAY TO GET RID OF DANDRUFF

End Itching Scalp and Stop Falling Hair—At Once.

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys its tendency. To do this, just get along four ounces of plain ordinary kerosene; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be shiny, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you want to keep your hair looking rich, do by all means get rid of dandruff for nothing destroys the hair so quickly. It not only starves the hair so that it falls out, but it makes it scraggy, straggly, dull, dry, brittle and lifeless, and everybody notices it. You can get kerosene at any drug store. It is inexpensive, and kerosene is all you will need. This simple remedy has been known to kill.

LEARNING TO SAVE

Yes, indeed every one, or nearly every one has to LEARN to save.

The natural tendency is to SPEND.

A desire for everything from new clothes to automobiles makes it very hard to save.

Yet saving is absolutely imperative in any safe plan of living.

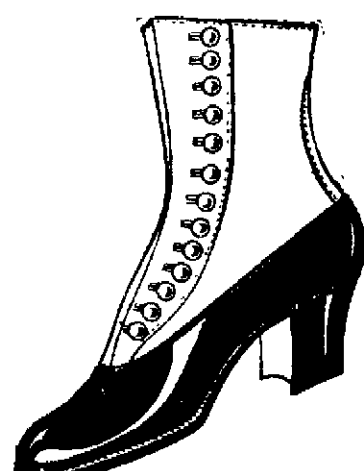

Now if you want to be safe, you MUST learn to save.

Select some object for which to save, or fix some definite sum, say five hundred dollars, or even one hundred, and determine that, come what may, you WILL save that sum.

Soon you will have the habit—you will have LEARNED to save, then it is easy to save more.

Start at once. We have a passbook waiting for you.

RUFUS PUTNAM ADDRESSES CARD TO OLD SOLDIERS

Newark Man Now in California Pays High Compliment to William A. Ashbrook.

To My Comrades of the Civil War: The time is drawing near when you will be called upon to vote for a man to represent you in the congress of the United States. It behooves you therefore to select a man whom you know to be the friend of the men who answered their country's call and bared their breasts that this country might be kept undivided and under one flag.

When we heard the call of our beloved president, we did not stop to inquire as to anyone's politics. Republicans, Democrats and persons of all political creeds marched shoulder to shoulder, fought side by side, and suffered untold hardships, and many lying today in unknown graves, who went to their death not as Democrats or Republicans, but as our comrades.

Do you remember how many years the U. S. R. struggled for increased pensions but without success? How it was shown to congress that thousands of old soldiers were suffering for the necessities of life, too old to work, many suffering from wounds received in battle. Year after year we had been told by the politicians of all parties who were seeking our support, that if we sent them to congress they would work and vote to give us pensions large enough to keep the wolf from the door. What did they do? Nothing but wrangle and talk and make flowery speeches. While these promises were being made and broken, thousands of our comrades passed to the last camp ground.

Next month the comrades will be called upon again to vote for a congressman. One of the candidates, William A. Ashbrook, will not be compelled to state where HE stands regarding his friendship for the old soldier. His record shows what he has done. No man could do more. He has secured more special pensions than any other congressman, and never wearies in doing for the comrades and the widows of soldiers. The writer personally knows of several cases that had been given up by other congressmen as impossibilities. Mr. Ashbrook, when apprised of the facts, went to work in his energetic way and secured satisfactory pensions. One widow, who had been turned down for years by others, applied to Mr. Ashbrook, who took up her case and in a few months secured her a substantial pension.

Mr. Ashbrook, although a Democrat, does not allow politics to interfere in his work for the old soldier. He treats all alike. He will not promise one thing and do another. I ask all comrades of his district to look up his record on questions of pensions and other matters in which comrades are concerned. I know you will find that he has always been on the square and eager and willing to serve the old soldier and widow.

His ability, his loyalty, his willingness to at all times, either financially or otherwise, serve the boys in blue has proven him to be a true friend to the comrades of '61-65. He has been tried, you know what he has done for you and your comrades. We still need such men in congress. Let us by our solid vote in November assist to keep him there. Questions may come up in the next year when we will need a friend to battle for us. Elect Mr. Ashbrook and we will be certain of a champion.

Comrades, we cannot afford to let politics stand in our way. We are all getting nearer the grave. Let us not forget those who have been loyal to us and who have been tried and proved himself worthy of our trust. "A friend in need is a friend indeed." He has proven such a friend. He has stood by us, let us reciprocate by giving him our undivided support. Other candidates will tell us what they will do. We know what Mr. Ashbrook will do. That is the best evidence. Mr. Ashbrook is ever ready to reply and give advice in all matters whether applying to pensions for yourself or a comrade. He is a man who is of the people, and can be approached by all, rich or poor. Do not let politics blind you, but vote for the man who has been instrumental in making so many comrades and widows happy. The man who has cheerfully given so much time to the betterment of the old soldiers and their dependent ones. Let us not swap horses now. We have a good one on which we can depend. Let us keep him a little while longer. The harness fits him and he fits the place to which he has been

elected so well that he is known all over the country as the best friend of the old soldier. Comrades, give him your vote and prove to the country your devotion to those who stand by you in acts, not words. RUFUS PUTNAM, Oakland, Calif., Oct. 4, 1914.

OPPORTUNITIES Short Talks Full of Encouragement and Optimism.

(By JASON ROGERS.) MEN AND OPPORTUNITIES.—Some men make opportunities and then grab them before they fade, while others are always seeking them armed with opaque glasses and blinders. No matter where you are or under what ordinary condition you are in opportunity always lurks straight ahead of you if you will but do something of service to other people.

The trouble with most men who complain about bad business or about no business at all is that most of them don't deserve any business. Of course, there are exceptions, but because you are doing nothing don't jump at the conclusion that you are one of the exceptions. I know there are thousands upon thousands of opportunities that are kicking around about the country for men who are willing to invest a few dollars and put forth that degree of mental and physical effort that is necessary to produce success.

I should be pleased to hear from a few dozen people who are seeking opportunities to better their condition. They should let me know regarding the amount of capital they have and their general desires, and I will make it my business to dig up and submit propositions for their consideration and investigation.

Even history has its charms. As one follows the events of the day start echoes from the past, and sometimes laughter. Example: Here is a quaint fellow in Tay Pay's Weekly revealing marvels about the signs and names of English Inns. Creditable performance, doubtless, though drowsy withal. But we have conundrums of the facts, went to work in his energetic way and secured satisfactory pensions. One widow, who had been turned down for years by others, applied to Mr. Ashbrook, who took up her case and in a few months secured her a substantial pension.

Mr. Ashbrook, although a Democrat, does not allow politics to interfere in his work for the old soldier. He treats all alike. He will not promise one thing and do another. X LEWIS B. HOUCK

Note.—The candidates nominated at the Democratic primary are: For Chief Justice of the Supreme Court, Hugh L. Nichols (one to be elected); for Judge of the Supreme Court, J. Foster Wilkin and Phil M. Crow (two to be elected); for Judge of the Court of Appeals, Lewis B. Houck (one to be elected). The rotary ballot is used. This means that the position of candidates changes on every ballot, and the voter must remember the names, get them firmly fixed in his mind, and place an "X" mark before each one of them as indicated above. Take this to the voting booth with you and pick out the names indicated above and place your "X" mark before each as already shown.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets
The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a yellow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver. Dr. Edwards, a well-known physician in Ohio, prescribed a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years. Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

Where's your old jimmy pipe?

No matter how old it is, no matter how long standing your kick or how much you've misused or abused it, dig out that jimmy pipe! Get it right back on the firing line! Jam in a bunch of Prince Albert and make some fire. What's the answer what's the answer?

Why, it'll just about wise-you-up-some as to why Prince Albert leads the band wherever men smoke pipes or roll their own cigarettes. As makin's, P. A. has the Indian sign on all the fire-brands and chaff-brands. It's the most delightful roll'em cigarette smoke you ever hooked up a match to.

Get the idea now that P. A. throws a jolt into any notion you or any other man ever had about stung, bitten, nipped, broiled tongues! Because Prince Albert can't bite! The bite and throat parch are cut out by a patented process.

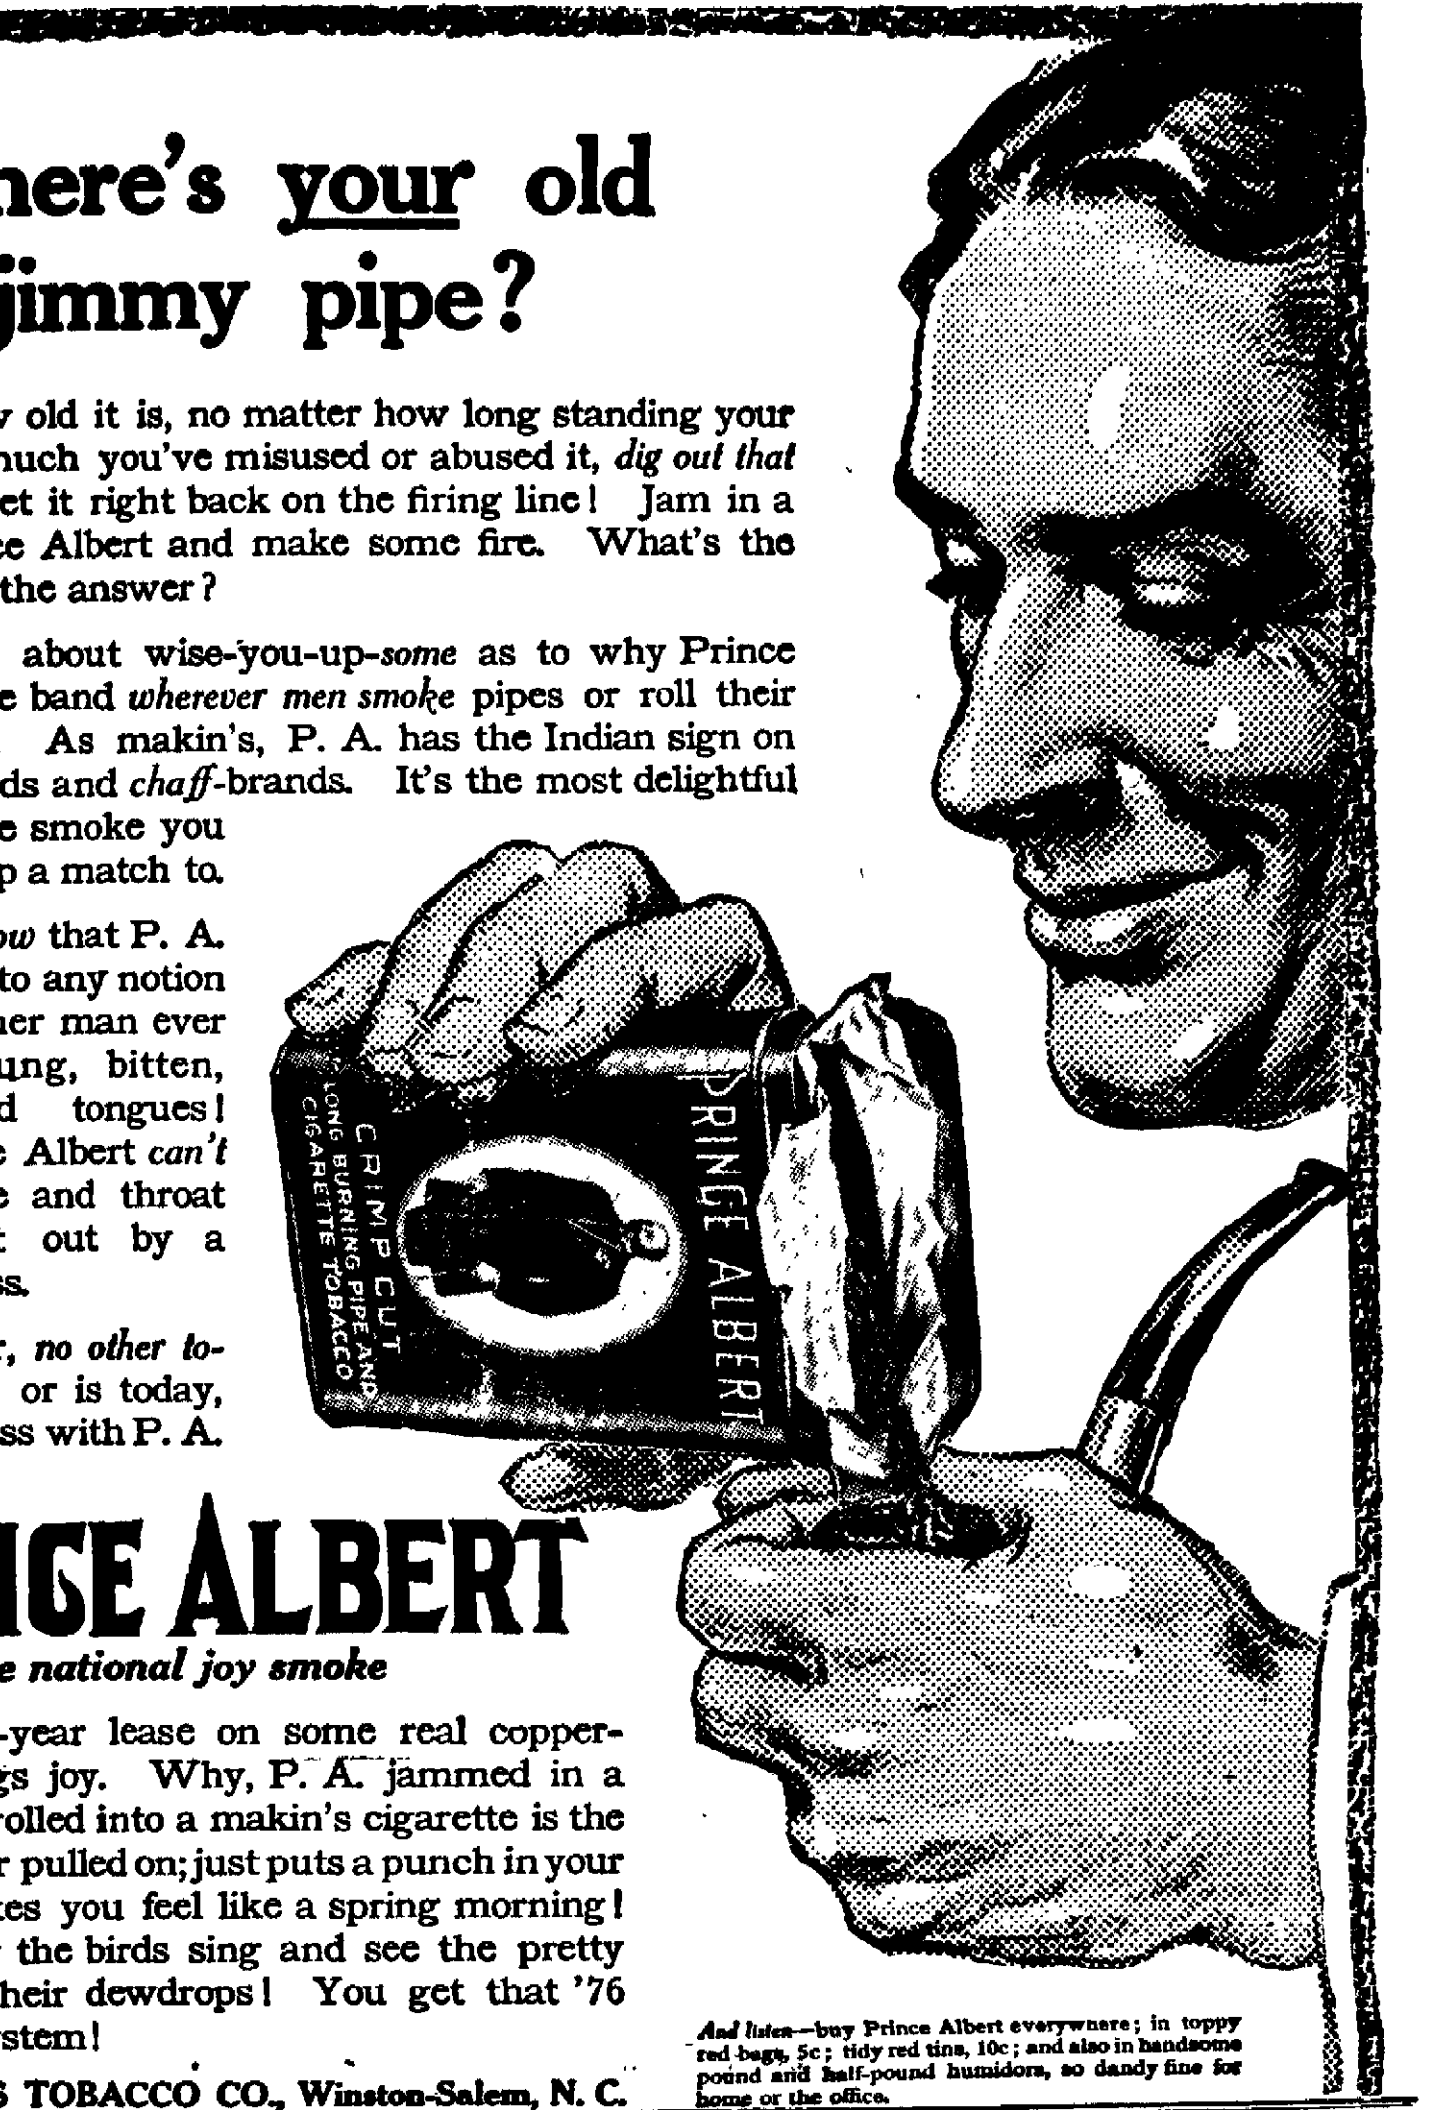

And remember, no other tobacco ever was, or is today, in the same class with P. A.

PRINCE ALBERT

the national joy smoke

gives you a 99-year lease on some real copper-riveted smokings joy. Why, P. A. jammed in a jimmy pipe or rolled into a makin's cigarette is the bulliest you ever pulled on; just puts a punch in your spirit that makes you feel like a spring morning! And you'll hear the birds sing and see the pretty flowers drink their dewdrops! You get that '76 spirit in your system!

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

And listen—buy Prince Albert everywhere; in tippy red bags, 5c; tidy red tins, 10c; and also in handsome pound and half-pound humidor, so dandy fine for home or office.

RESOLUTION

Be it resolved by the Council of the City of Newark, State of Ohio, that the following resolution be adopted: That the whole cost of the proposed improvement, less one-fifth thereof, and the cost of interest, shall be assessed by the foot frontage upon the lots and lands bounded and abutting upon the proposed improvement, and all other necessary expenses.

by the Civil Engineer now on file in the office of the Director of Public Service, which shall be open to the inspection of all persons interested therein. Section 2. The materials to be used in the construction of said sewer shall be vitrified clay or shale sewer pipe, and brick catch-basins and manholes with cast iron covers.

Section 3. The grade of said sewer shall be as shown on the plans and profiles now on file in the office of the Director of Public Service. Section 4. That the whole cost of said improvement, less one-fifth thereof, and the cost of interest, shall be assessed by the foot frontage upon the following described lots and lands, to-wit: All lots and lands bounding and abutting upon the proposed improvement which said lots and lands are hereby determined to be specially benefited by said improvement, and the cost of said improvement shall include the expense of printing and publishing notices, resolutions and ordinances required, and the cost of collection of said interest on bonds issued in anticipation of the collection of deferred assessments and all other necessary expenses.

Section 5. That the assessments so to be levied shall be paid in ten annual installments, with the interest on the deferred payments at 5 per cent per annum, provided that the owner of any property assessed may, at his option, pay such assessments in cash within thirty days from and after the passing of the assessing ordinance, to the City Treasurer, in which case the said cash assessment shall not include any item of interest upon bonds to be issued in anticipation of the collection of deferred assessments, and that the bonds of the City of Newark, Ohio, shall be issued in anticipation of the collection of such assessments, and that the remainder of the entire cost of said improvement not specially assessed, including the cost of intersections and the damage awarded to any owner of adjoining property and interest thereon, and the cost and expense of such award, shall be paid by the issuance of bonds in the manner provided by law.

Section 6. That the following lots and lands shall be assessed for said improvement as above determined: All lots and lands bounding and abutting upon the proposed improvement, and all other necessary expenses, and that the remainder of the entire cost of said improvement not specially assessed, including the cost of intersections and the damage awarded to any owner of adjoining property and interest thereon, and the cost and expense of such award, shall be paid by the issuance of bonds in the manner provided by law. Beautiful Hair Tinting

Absolutely and Positively Harmless "Brownatone" Instantly Changes the Hair to Any Shade of Brown (or Black if Preferred.)

Nothing so robs a woman of her good looks and attractiveness as gray, streaked or faded hair. And there is no more reason or sense in tolerating unattractive hair than there is in wearing unbecoming gowns. Nearly all of the noted beauties long ago recognized this fact, and wear their hair not only in the style, but also the color, most becoming.

The one hair stain that stands supreme is "Brownatone." It is simple and easy to use. Just comb or brush it into your hair. It can not be detected, will not rub or wash off, acts instantly, and is absolutely harmless. "Brownatone" will give any shade desired from golden brown to black.

Your druggist sells "Brownatone" or will get it for you, and it is worth your while to insist upon having this preparation and not something else. A sample and booklet will be mailed you upon receipt of 10 cents, and your orders will be filled direct from our laboratories if you prefer.

Two sizes—25c and \$1.00.
 Two shades—One for Golden or Medium Brown, the other for Dark Brown or Black.

Insist on "Brownatone" at your hairdresser's.
 Prepared only by the Kanton Pharmaceutical Co., 55 E. Pike St., Covington, Ky.

Sold and guaranteed in Newark by F. Collins, Evans Drug Store and other leading dealers.

(Continued from Page 1.)

the war revenue bill was ordered stricken out today by the Democrats of the Senate finance committee.

Reports had come of general opposition throughout the country and Majority Leader Underwood and other members of the House ways and means committee had given notice that the House would not agree to a tax on "the poor man's medicine."

Action of the committee, however, did not include elimination of the proposed tax on perfumes, cosmetics and chewing gum which had been added to the House bill.

The committee also accepted an amendment to the proposed tax on shipments of newspapers. This would eliminate bills of lading in the shipment of newspapers and provide that all bundles included in a general package on a single train or other conveyance, should be regarded as one shipment.

In lieu of bills of lading the amendment would require publishers to issue on the fifteenth of each month a sworn statement of the number of such shipments made in the preceding month, and attach to these shipments stamps to the value of one cent for each shipment. Shipments of newspapers made within the county for publication would be exempted from tax.

MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful, invigorating lithia-water drink.

LURED

TO HIS DEATH BY A WOMAN SNAKE CHARMER AND HER MALE COMPANION

Both are Said to Have Confessed to Brutal Murder of a Wealthy Farmer.

(ASSOCIATED PRESS TELEGRAM)

Chicago, Oct. 14. Miss Ruth McCullough, a 23 year old "snake charmer" and her companion, Clarence McCormick, 18 year old son of a Hedrick, Iowa, farmer, were arrested here today, charged with the recent murder of I. W. Mollatt, a wealthy farmer of Hedrick, and are said by the police to have confessed their guilt in writing. Mollatt, according to information received here at the time of the murder, was shot while in his automobile and his head crushed.

The purpose of the murder which took place Oct. 6, was robbery. The arrest was made early today by Sheriff W. E. Knox, of Ottumwa, Iowa, and Sheriff L. J. Grimes, of Keokuk county, assisted by a local detective, as the pair was about to be evicted from a west side rooming house for non-payment of rent. The fugitives were penniless. The robbery netted them only \$23, and McCormick had been unable to obtain employment.

The "snake charmer" was a follower of county fairs and street carnivals and McCormick met her at one of these in Illinois. He became infatuated and followed her from place to place.

Mollatt was believed to carry large sums with him and McCormick and the girl are alleged to have lured him out of the town of Hedrick on the pretext that he would meet a girl in whom he is said to have been interested.

VICTORS GET \$2813 EACH FROM SERIES

LESS MONEY THAN HAS BEEN DIVIDED SINCE 1910

Braves' Record of Four Straight Games Best Since National Commission Assumed Charge.

How the Receipts Go. Fenway Park, Boston, Oct. 14.—The official attendance and receipts for yesterday's game is as follows:

Attendance, 34,365.
 Receipts, \$62,653.
 National commission's share, \$6,265.30.

Players share, \$33,832.62.
 Each club's share, \$11,277.54.
 Total for series, four games: Attendance, 111,009.
 Receipts, \$226,736.
 Players' share, \$121,900.94.
 National commission's share, \$22,673.

Each club's share, \$40,632.58.
 Boston, Oct. 14.—Because of the shortness of the world series just closed, the club owners and national commission divide a smaller sum than in any series since 1910. The attendance at yesterday's game was 34,363 and the receipts \$62,653. Of this sum the players received \$33,832.62, the club owners \$22,673.08 and the commission \$6,265.30.

Total attendance for the series was 111,009; receipts \$226,736; players' share, \$121,900.94; each club's share, \$40,632.58, and the national commission's proportion, \$22,673. As the winners, the Boston players receive 60 per cent of \$121,900.94, or \$73,140.56, while the Athletics, as losers, profit to the extent of \$48,760.38.

Of the Boston club, 26 players are eligible to share in the prize money, giving each man \$2,813.10 should the money be divided equally. Of the Athletics, 24 players are entitled to divide the losers' end, which would give each Mackman \$2,031.68 on a share-and-share-alike basis. The players of neither club have as yet notified the national commission just how the money will be divided. The players receive less money than has fallen to their lot since the series of 1910. Each of the four winners receives \$1,000, the money coming from the national commission's share of the profits.

The world's series of 1914 was the tenth between the pennant winners of the two leagues since the national commission took charge of the annual autumn championship battle in 1905. That year the Boston Braves, home league champions, defeated the Philadelphia Athletics, National League champions, 4-3 in a series of five games.

The Athletics had won the National League pennant in 1910, 1911, 1912, 1913, 1914, 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, 1946, 1947, 1948, 1949, 1950, 1951, 1952, 1953, 1954, 1955, 1956, 1957, 1958, 1959, 1960, 1961, 1962, 1963, 1964, 1965, 1966, 1967, 1968, 1969, 1970, 1971, 1972, 1973, 1974, 1975, 1976, 1977, 1978, 1979, 1980, 1981, 1982, 1983, 1984, 1985, 1986, 1987, 1988, 1989, 1990, 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024, 2025, 2026, 2027, 2028, 2029, 2030, 2031, 2032, 2033, 2034, 2035, 2036, 2037, 2038, 2039, 2040, 2041, 2042, 2043, 2044, 2045, 2046, 2047, 2048, 2049, 2050, 2051, 2052, 2053, 2054, 2055, 2056, 2057, 2058, 2059, 2060, 2061, 2062, 2063, 2064, 2065, 2066, 2067, 2068, 2069, 2070, 2071, 2072, 2073, 2074, 2075, 2076, 2077, 2078, 2079, 2080, 2081, 2082, 2083, 2084, 2085, 2086, 2087, 2088, 2089, 2090, 2091, 2092, 2093, 2094, 2095, 2096, 2097, 2098, 2099, 2100, 2101, 2102, 2103, 2104, 2105, 2106, 2107, 2108, 2109, 2110, 2111, 2112, 2113, 2114, 2115, 2116, 2117, 2118, 2119, 2120, 2121, 2122, 2123, 2124, 2125, 2126, 2127, 2128, 2129, 2130, 2131, 2132, 2133, 2134, 2135, 2136, 2137, 2138, 2139, 2140, 2141, 2142, 2143, 2144, 2145, 2146, 2147, 2148, 2149, 2150, 2151, 2152, 2153, 2154, 2155, 2156, 2157, 2158, 2159, 2160, 2161, 2162, 2163, 2164, 2165, 2166, 2167, 2168, 2169, 2170, 2171, 2172, 2173, 2174, 2175, 2176, 2177, 2178, 2179, 2180, 2181, 2182, 2183, 2184, 2185, 2186, 2187, 2188, 2189, 2190, 2191, 2192, 2193, 2194, 2195, 2196, 2197, 2198, 2199, 2200, 2201, 2202, 2203, 2204, 2205, 2206, 2207, 2208, 2209, 2210, 2211, 2212, 2213, 2214, 2215, 2216, 2217, 2218, 2219, 2220, 2221, 2222, 2223, 2224, 2225, 2226, 2227, 2228, 2229, 2230, 2231, 2232, 2233, 2234, 2235, 2236, 2237, 2238, 2239, 2240, 2241, 2242, 2243, 2244, 2245, 2246, 2247, 2248, 2249, 2250, 2251, 2252, 2253, 2254, 2255, 2256, 2257, 2258, 2259, 2260, 2261, 2262, 2263, 2264, 2265, 2266, 2267, 2268, 2269, 2270, 2271, 2272, 2273, 2274, 2275, 2276, 2277, 2278, 2279, 2280, 2281, 2282, 2283, 2284, 2285, 2286, 2287, 2288, 2289, 2290, 2291, 2292, 2293, 2294, 2295, 2296, 2297, 2298, 2299, 2300, 2301, 2302, 2303, 2304, 2305, 2306, 2307, 2308, 2309, 2310, 2311, 2312, 2313, 2314, 2315, 2316, 2317, 2318, 2319, 2320, 2321, 2322, 2323, 2324, 2325, 2326, 2327, 2328, 2329, 2330, 2331, 2332, 2333, 2334, 2335, 2336, 2337, 2338, 2339, 2340, 2341, 2342, 2343, 2344, 2345, 2346, 2347, 2348, 2349, 2350, 2351, 2352, 2353, 2354, 2355, 2356, 2357, 2358, 2359, 2360, 2361, 2362, 2363, 2364, 2365, 2366, 2367, 2368, 2369, 2370, 2371, 2372, 2373, 2374, 2375, 2376, 2377, 2378, 2379, 2380, 2381, 2382, 2383, 2384, 2385, 2386, 2387, 2388, 2389, 2390, 2391, 2392, 2393, 2394, 2395, 2396, 2397, 2398, 2399, 2400, 2401, 2402, 2403, 2404, 2405, 2406, 2407, 2408, 2409, 2410, 2411, 2412, 2413, 2414, 2415, 2416, 2417, 2418, 2419, 2420, 2421, 2422, 2423, 2424, 2425, 2426, 2427, 2428, 2429, 2430, 2431, 2432, 2433, 2434, 2435, 2436, 2437, 2438, 2439, 2440, 2441, 2442, 2443, 2444, 2445, 2446, 2447, 2448, 2449, 2450, 2451, 2452, 2453, 2454, 2455, 2456, 2457, 2458, 2459, 2460, 2461, 2462, 2463, 2464, 2465, 2466, 2467, 2468, 2469, 2470, 2471, 2472, 2473, 2474, 2475, 2476, 2477, 2478, 2479, 2480, 2481, 2482, 2483, 2484, 2485, 2486, 2487, 2488, 2489, 2490, 2491, 2492, 2493, 2494, 2495, 2496, 2497, 2498, 2499, 2500, 2501, 2502, 2503, 2504, 2505, 2506, 2507, 2508, 2509, 2510, 2511, 2512, 2513, 2514, 2515, 2516, 2517, 2518, 2519, 2520, 2521, 2522, 2523, 2524, 2525, 2526, 2527, 2528, 2529, 2530, 2531, 2532, 2533, 2534, 2535, 2536, 2537, 2538, 2539, 2540, 2541, 2542, 2543, 2544, 2545, 2546, 2547, 2548, 2549, 2550, 2551, 2552, 2553, 2554, 2555, 2556, 2557, 2558, 2559, 2560, 2561, 2562, 2

THE SEASON'S CORSET STYLES

AN INVITATION

You are cordially invited to inspect our window display and then examine the new models of HENDERSON CORSETS now on display. This season's models are designed with a slightly higher bust, the waist slightly curved at each side, and without boning over the hips. The very low bust will continue to be as popular as ever for slender and girlish figures. For excellence of style, accuracy of fit, genuine comfort and lasting service we know of no better corsets than the HENDERSON at the moderate prices we ask. Our stock of HENDERSON BACK and FRONT LACED CORSETS includes all the season's new models.

PRICES—Each \$1.00 to \$3.50

Have You Seen The New Form Reducing Corset?

A new corset we are introducing, designed for stout figures and figures somewhat above the average, with a special reducing appliance which holds and distributes the superfluous flesh, and produces a shapely figure. Made of coutil, lace trimmed top, medium low bust and long hip. Two pairs of strong supporters attached. Ask to see it.

ONLY—Each \$1.00

A Front Lace Corset For \$1.00

Will be an interesting item to you. Always heretofore front laced corsets have been higher priced, and this popular priced corset is a new one just added to our stock. Made of coutil with tricot ventilated strip in back, low bust, long hip with embroidery trimmed top and two pairs of extra wide supporters.

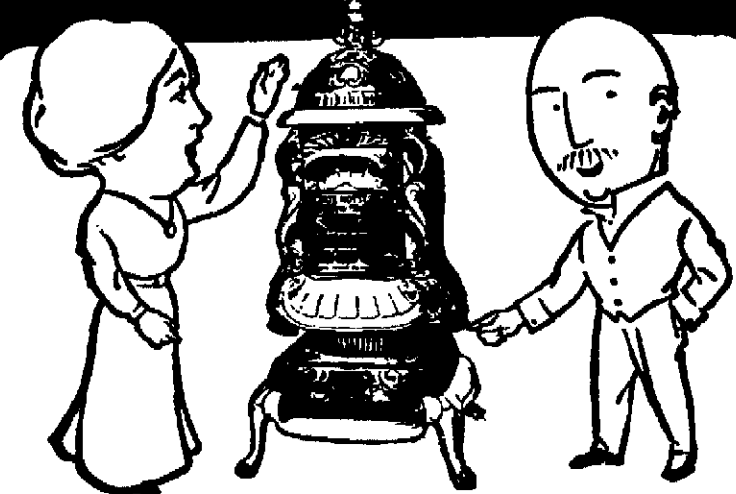

The Buster Brown Stockings For Men, Women and Children

Has just been added to our stock. The "darnless" hose, durable, lustrous and stylish. Knit to fit the truest ankle. Buster's hose is representative of the finest values ever shown at the price. See them at our hosiery department.

PRICES—Pair 15c and 25c

Some Circulation!

YOU wouldn't believe it—no one does until he learns by actual experience—that the circulation of hot air produced by the "little furnace" in the Estate Hot Storm is as powerful as you find in the ordinary furnace.

But just try to hold your hand over the discharge ports of an Estate Hot Storm when it's fired up full, and you'll be quickly convinced.

Estate Hot Storm—the heating stove with a "little furnace" in it

Looks like a furnace because it's built like one. Air drawn into the "little furnace" through pipes on both sides of the stove, is heated to a very high temperature, and then discharged from the top of the stove, either into the room in which the stove sits, or into a pipe to conduct the heat to the upper floor.

This distinctive feature of the Estate Hot Storm's construction should be reason enough for you to give this stove the preference, but there are other reasons almost equally important. The Estate Patented Double Air Blast Apparatus perfect fire control throughout the life of the stove, the Estate Tubular Hot Blast Apparatus set out of the foot every door of heat (that's in it); the Estate Double Strength Single Fire Pot, the Estate Patented Anti-Backdraft Ring, etc., all contribute to make the Estate Hot Storm the strongest, longest-lived, most powerful and economical heater that has ever been built.

Make up your mind to "Own an Estate" this season and make it an Estate Hot Storm—the stove with a "little furnace" in it. We'll be glad to explain the construction to you at any time.

POMONA GRANGE MEETING HELD AT VANATTA

CLASS OF 58 INSTRUCTED IN MYSTERIES OF FIFTH DEGREE

Officers Elected by Grange—Resolutions Adopted—Next Meeting At Hanover in January.

Licking County Pomona Grange was royally entertained by Wyoming Grange No. 1000 at Vanatta, Saturday, October 10. About two hundred and fifty members were present, regardless of the heavy downpour of rain, which shows the great interest in Grange work in Licking county. The meeting was held in the Lutheran church, and was one of the best and most harmonious ever held in the county. A very sumptuous dinner was served by the sisters of Wyoming Valley Grange. The self-serving plan was used with great success.

The morning session was devoted to the discussion of different subjects of importance, including co-operative buying and selling, county business agent, Grange exhibits at county fairs, county experiment farm, etc., and reports from the different Granges of the county. Nearly all report bright prospects for the future.

The afternoon session was a very enjoyable one. First on the program was the conferring of the fifth degree. There was a class of 58 instructed in the mysteries of this degree, after which the following officers were elected:

Worthy Master, C. A. Wagy of Derthle Grange, No. 1821.
W. Overseer, A. E. Hoskinson of Centennial No. 1882.
W. Lecturer, A. C. Keckley of Chatham No. 1791.
W. Steward, John C. Williams of Hanover, No. 1812.
W. Assistant Steward, Herbert Courson of Franklin, No. 1797.
W. Chaplain, John M. Lambert of Wyoming Valley, No. 1069.
W. Secretary-Treasurer, Nettie S. Brooks of Laylin, No. 1763.
W. Gate-keeper, Hugh Jones of Pataskala, No. 1884.
W. Ceres, Pearl Blime, Wyoming Valley, No. 1069.
W. Pomona, Debbie Ashcraft of Perryton, No. 1905.
W. Flora, Gertrude Price, Chatham, No. 1791.

W. Lady Assistant Steward, Goldie Morrow of Pataskala No. 1881.

The above officers were installed by the retiring Worthy Master Bro. D. D. Sulder.

Dr. O. B. Young of Newark Grange, was elected county business agent by a unanimous vote.

The following committees were appointed: Committee on experiment farm, Bros. O. B. Young, C. F. Green and Charles Weaver; committee to wait on the fair board, Bros. John C. Williams, O. B. Young and J. M. Lambert; committee on resolutions, Bros. Ross Steward, E. B. Marple and sister Lou Ella Weaver.

Delegates to State Grange were instructed to ask for State Grange meeting at Newark in 1915.

The following resolutions were read and adopted:

Resolution of respect to departed member.

Whereas, our Great Master of the Universe has seen fit to call from our midst Bro. Lawrence Edwards, a loyal member of Pataskala Grange, No. 1885, and of the Licking County Pomona, be it

Resolved, That we recognize the loss of a valued brother, and extend to the bereft widow and friends our heartfelt sympathy.

Resolved, That where a county is entitled to two or more delegates, we favor the election of a part of said delegates each year, and be it further

Resolved, That we instruct our delegates to the State Grange to present the above resolutions and work for its adoption.

Resolved, That we, the members of the Licking County Pomona at Vanatta assembled are heartily in favor of the proposed prohibition amendment, and are bitterly opposed to the brewers so-called home rule amendment to the constitution of Ohio, and also request that these resolutions be sent to each of the county papers for publication.

Resolved, that we extend our thanks to Wyoming Valley Grange for their entertainment of the Pomona meeting today.

After the business of the day the meeting was in charge of Worthy Lecturer A. C. Keckley, who had prepared the following excellent program for which he is noted:

Selection by Orchestra.
Song by the Grange.
Reading, "How Peter's Prayer Was Answered"—Sister Helen Starr.
Duet, Sisters Pearl Blime and Sarah Lingafelter.
Reading, "Pastor's Sunday Pants"—Bro. Asa Young.
Duet—Sisters Viva and May Young.
Reading, "Over the Hill From the Fourhouse"—Bro. C. D. Colville.
Song, My Childhood Home.
The next meeting will be held at Hanover in January, 1915.

BURDEN OF ILL HEALTH LIFTED

Local Railroad Man Found Life Worth Living After Taking Nerv-Worth

"Before I found a friend in Nerv-Worth life seemed almost unbearable. I was troubled with general nervousness. Had indigestion very bad. Am now on my second bottle of Nerv-Worth. Results have been so great that I recommend the remedy to all whose lives are burdened as mine was. With health and happiness again life was a different meaning to me. Was once a grouchy, Now I am in a mood to be pleasant to everybody."

So writes Charles F. Birmingham, a brakeman, who lives at 1415 East High street, Springfield, O. Note again that Nerv-Worth acts quickly. Mr. Birmingham, like hundreds of fellow sufferers, did not wait long for benefits. Neither do those who are burdened with other forms of Nervous debility, palpitation of the heart, sleeplessness, trembling, pains in back, sides and chest, low spirits, sick and nervous headaches, etc.

This greatest of nerve tonics is on sale at T. J. Evans Drug Store. Go there and get a free sample dose. Buy a bottle and try it. The purchase price is yours again if Nerv-Worth does not help. (Adv.)

SENATE BEGINS TO INVESTIGATE LITTLE KANAWHA

(ASSOCIATED PRESS TELEGRAM)

Washington, Oct. 14.—In compliance with a resolution of the senate, the interstate commerce committee today instituted an investigation into the operations of the Little Kanawha Railroad company, which operates a railway traversing the valley of the Little Kanawha in West Virginia. The Senate desires to ascertain "whether or not the control of the stock is in the hands of any combination of railroads or of any trust or syndicate controlled by railroads engaged in interstate commerce and whether or not the railroad is being held for any purpose other than as a legitimate branch of commerce, and whether it is being held to tie up and prevent the development of the Little Kanawha Valley railroad."

A preliminary inquiry will be begun at once and at a time yet to be fixed, public hearings probably will be held.
